Embassy of Japan to Georgia

Dear Sir/Madam,

It is my pleasure to address you in support of “Establishment and Promotion of Cancer Screening Center in Zugdidi” project being implemented by Caritas Czech Republic with financial support of Czech Development Agency and Embassy of Japan in Georgia.

The new Center in Zugdidi will increase geographical and financial accessibility to the cancer screening state programme for the population of Samegrelo-Zemo Svaneti region, thus, significantly contributing to prevention and early detection of oncological diseases in the region. Furthermore, thanks to its location the services of the new screening center will be also accessible for Abkhazians people.

Ministry of Labour, Health and Social Affairs of Georgia will be observing the project implementation with great interest and would like to acknowledge full support for the proposed project.

Sincerely yours,

Deputy Minister

Nino Berdzuli
